## Ford Lightning on Display & Coast-to-Coast EV Trip Ends

The Ford F-150 Lightning is available this evening for close examination. You'll be able to talk with the owner as well. Joining will be several other EVs and their owners.

**Date:** Monday, 6/27  
**Time:** 5:00 pm - 7:00 pm  
**Where:** California Auto Museum, 2200 Front Street, Sacramento

You can also check for free the museum's newly opened EV Center Stage show: "What's Coming Up is Electrifying".

As EV drivers, we know that range anxiety is a major impediment to EV adoption. However, thanks to increased EV ranges and the installation of charging infrastructure in major corridors, long EV trips are now feasible. Daphne Dixon and Alyssa Murphy are on a mission to show that it is not only possible but fun to drive 5,350 miles, coast to coast, in an all-electric Ford Mustang Mach-E.

On Monday, June 27, the California Auto Museum will be the finish line for their coast-to-coast EV trip. At the finish line will be:

- Ford's new EVs: F-150 Lightning, E-Transit, Mustang Mach-E
- A mobile EVSE charging unit and the GreenPower "MicroTransit"
- EV Showcase by SacEV members
- The museum's official EV Center Stage grand opening event: **"What's Coming Up is Electrifying"**
- Presentation on EV incentives
- Presentations on EVs: Surprising Past and Amazing Present

The public is welcome. Attendees have free access to the event, the center stage, and entire museum for the day. As visitors tour the museum, knowledgeable docents will provide interesting commentary.

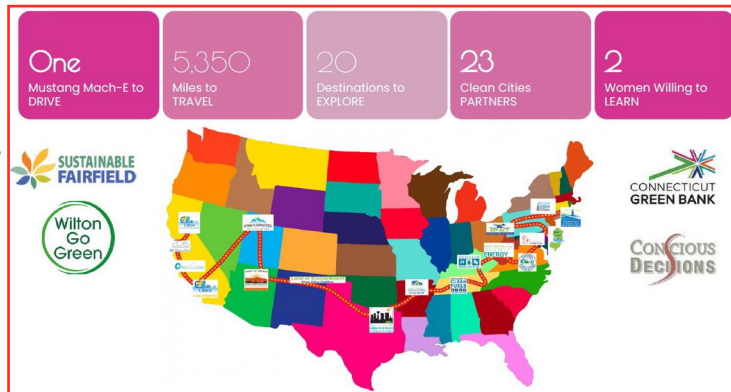

EVer, bring your EV for the EV Showcase (4:00 pm). You get up-front parking!

[Guy.Hall AT SacEV.org](mailto:Guy.Hall@SacEV.org) for details.

Join us at 2200 Front Street in Sacramento on Monday, June 27 to celebrate as the Mach-E crosses the finish line for its 5,350-mile transcontinental trip.

### Coast-to-Coast EV Event Schedule

The California Auto Museum, including the featured exhibits "History of EVs and What's Coming Up is Electrifying" are open during the entire event. The EV Showcase starts at 4:00 pm, including EVs from Ford, Chevy, Tesla, BMW, Nissan, and more. The public is welcome! Registration is NOT required.

### 10:00 am – 2:00 pm, Fleet Program

- 2022 fleet lineup from Ford
- Grants, incentives, funding programs for fleets
- Case studies: Successful fleet transitions to ZEVs
- Lunch and fleet networking
- Ford displays: **F-150 Lightning**, E-Transit van, Mach-E, Explorer EV, Police Interceptor
- Phoenix Truck, Motiv F-59 cab and chassis, Pioneer Power E-Boost Mobile EVSE
- Register for free [here](#)

### 2:00 pm – 4:30 pm, LD EV Technician Training: Safety, Maintenance, Trouble Shooting

- Presented by SacEV member Ash Dalal, Ohm Electric
- Register for free [here](#)

### 5:00 pm – 7:00 pm

- Air District CEO Alberto Ayala: Welcome to Sacramento
- Congresswoman Doris Matsui welcomes Mach-E arrival from Connecticut
- Driving Across the U.S. in an EV, Daphne Dixon, Connecticut Clean Cities
- EV incentives
- EV surprising past and amazing present

## Make a Difference — Join the SacEV Board

If you want to make a difference in our community's drive toward cleaner air, please consider joining the SacEV Board. We currently have three openings. You don't need to own an EV or be an EV expert. All you need is a passion for changing the world for the better.

Contract Peter Macken ([rpmackin2000 AT gmail.com](mailto:rpmackin2000@gmail.com)) for more information.

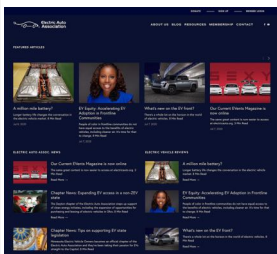

## Upcoming Webinars

EV Related Webinars

SacEV brings you a list of upcoming EV related presentations. In case you missed one, we've added pointers to the recordings. You can also find this list on the SacEV.org website [HERE](#).

## Join the National Electric Vehicle Association

When you join other SacEV members as national Electric Vehicle Association members, you are part of the national grass-roots community advocating for EVs in the USA. The national EVA is critically important to SacEV as it handles our administrative chores (tax filings, non-profit status, banking service, insurance, legal help, etc.) and provides value, such as webinars and the two nationwide events: National Drive Electric Week and Drive Electric Earth Day.

Your SacEV leadership team relies on these services, so we encourage you to join the national organization for the small sum of \$35 annually. You will also be able to keep current with the latest developments in the rapidly changing world of electric vehicles in our regular Current Events e-blog. This blog is full-color, available 24/7 on-line from your desktop, laptop, smartphone, or however you access the internet.

Your membership provides value to you, our local SacEV chapter, and you become a member of this critical national movement. **Please join NOW.** You may also send a check payable to the Electric Vehicle Association, c/o Guy Hall, 8325 Walden Woods Way, Granite Bay, CA 95746.

## More SacEV Events Are Coming Up

Check the [SacEV calendar](#) for the latest EV-related activities.

If you've missed a Newsletter and for more information about the Sacramento Electric Auto Association visit our [website](#).
