### Share EV Experience in Nevada City

#### Electric vehicle Event in Nevada City

**Date:** October 29, 2022

**Time:** 10:00 am to 3:00 pm

**Where:** New York Hotel parking lot, 408 Broad Street, Nevada City, CA.  
Cars and bike setups at 9:30 am

Advertisement and event location should produce a good crowd. We will need up to 6 EVs and owners, at the electric vehicle Event in Nevada City, to display their vehicles and talk with the public about EV ownership.

We already have Tesla Model 3, Model Y, and Model S vehicles committed so we need other vehicles like VW, Nissan, Ford, Rivian, Chevy, Hyundai, etc. We might make an exception for having two Model S if one of them is a Plaid. Having you and other owners attend the event along with your car or bike will give the public an opportunity to ask questions and hear personal experiences.

Nevada County Climate Action Now is sponsoring the event with cooperation from the Sacramento Electric Vehicle Association, the Nevada City Chamber of Commerce and Citizens Climate Lobby.

## Join the National Electric Vehicle Association

When you join other SacEV members as national Electric Vehicle Association members, you are part of the national grass-roots community advocating for EVs in the USA. The national EVA is critically important to SacEV as it handles our administrative chores (tax filings, non-profit status, banking service, insurance, legal help, etc.) and provides value, such as webinars and the two nationwide events: National Drive Electric Week and Drive Electric Earth Day.

Your SacEV leadership team relies on these services, so we encourage you to join the national organization for the small sum of \$35 annually. You will also be able to keep current with the latest developments in the rapidly changing world of electric vehicles in our regular Current Events e-blog. This blog is full-color, available 24/7 on-line from your desktop, laptop, smartphone, or however you access the internet.

Your membership provides value to you, our local SacEV chapter, and you become a member of this critical national movement. **Please join NOW.** You may also send a check payable to the Electric Vehicle Association, c/o Guy Hall, 8325 Walden Woods Way, Granite Bay, CA 95746.
