SacEV Meet-Up on Wednesday

Be sure to reserve Wednesday evening, March 13 for a great SacEV meeting.

Several outstanding presentations are lined up:

- Janelle London from the award-winning Coltura show will talk about her EV music video, "[Gasoline, Gasoline \(The World's Aflame\)](#)."
- The charging startup company FreeWire will show its mobile DC fast charger .
- We'll update you on Drive Electric Earth Day.
- And more...

All EV owners and the EV-curious are welcome. If you have an EV question, here's a gathering of the experts!

Pizza and soda will be served.

Date: Wednesday, March 13, 2019

Time: 6:00pm to 7:30pm

Location: Arthur F. Turner Community Library, 1212 Merkley Ave., West Sacramento, CA

Other Regional EVents

Tesla Event

Tesla has been making news lately. The company recently announced that the long-awaited \$35,000 Model 3 has begun production, Tesla unveiled the 250-kW Version 3 Supercharger (last Wed.), and the Model Y reveal will occur on March 14.

The NorCal-Reno Tesla Owners Club has dubbed March 19 "Tesla Tuesday," with a Rocklin store event that will feature our area's Tesla Policy Team. The Policy Team, which addresses public policy and regulatory issues, wants to meet with the public to share the team's current efforts and to understand your primary concerns.

Tesla is moving all sales online and will close many retail stores, including the Rocklin location. We thank the Rocklin staff for their work helping us to get started on our Tesla journeys.

The Alma De La Vina Winery will join us on Tesla Tuesday to provide free wine tasting, and we will provide light snacks. This event is open to EV owners and the EV-curious. Tickets are \$15 per person.

Volunteers needed for EV Pop-up displays at Davis Farmers Market

On the third Saturday of each month, the Davis EV Association (DEVA) displays an EV at the Davis Farmers Market. Each display includes an EV, the EV's owner, and one or two helpers who pass out literature and answer questions from market passersby. Please let us know if you are willing to display your vehicle and/or be a helper.

We are currently looking for owners and helpers for the following dates: April 20, June 15, July 20, August 17

The EV display lasts from 9:00 am to 1:00 pm, but the Farmers Market requires that the owners arrive with the display vehicle by 7:45 am.

If you would like to volunteer as an owner or helper, please send a message (including your preferred dates) to deva@cooldavis.org.

At DEVA's previous EV displays, we have been encouraged by the interest and enthusiasm generated by the vehicles. We think that you'll enjoy informing Farmers Market patrons about EVs, and you'll have the satisfaction of advancing EV adoption.

Earth Month Events

April is coming up fast, and will bring many Earth Day EV events. Across the region, we'll be joining a range of these events, which are sponsored by schools, environmental organizations, businesses, and government organizations. This year we are placing an increased priority on workplace sites to encourage workplace infrastructure. We need volunteers to show EVs and share their experiences with the public. Most events will have Earth Day booths and activities.

Here are some of the Earth Day EV events:

April 4: Sac City School District. Early evening event to show EVs to Sac City School staff.

April 6: Touch a Truck, Yuba City.

Bring the family: provides a unique opportunity for children to explore vehicles of all types including public service, emergency, utility, construction, transportation, and delivery— all in one place! Children will be allowed to touch their favorite vehicles, get behind the wheel, and meet the people who help to build, protect and serve our community. Children's activities, games and food trucks will also be part of the day's entertainment.

April 18: HP Roseville. Show EVs to the HP employees

April 18: Folsom Kaiser . Show EVs to the Kaiser employees in Folsom

April 19: South Sac Kaiser

With SMUD will show EVs to local hospital staff and provide a ride and drive. Help get health providers on the EV wagon.

April 19: Kaiser Morse Ave

Help get health providers on the EV wagon, featuring agencies, vendors, and businesses that wish to share their environmental message with Kaiser Permanente members and staff.

April 22: VSP in Rancho Cordova

VSP Green Guardians team asks us to join them this year for food, games, prizes, and music.

Over 200 employees attended last year and we hope to meet or exceed that number this year!

April 25: CA State Teacher Retirement System, West Sacramento

CalSTRS will be hosting an Alternate transportation event to share options beyond of ICEs. They currently have 49 registered EV users.

(continued below)

April 27: Amador Earth Day in Jackson

Take the family out of town to visit the Gold Country. Food, Music, Children's Activities, and more.

April 28: ECOS Earth Day at South Side Park

One of our largest Events. Music, vendors, exhibitors, stage with events, children activities, food vendors. Folks from California's Clean Vehicle Rebate Center will be hosting a ride and drive.

Pick a few of these for you and your family. Then send a note to guy.Hall@SacEV.org

Davis Events

Wanted: (Urgent) Volunteers with EVs for UCD Picnic Day Parade

Have you always wanted to be in [UCD's Picnic Day](#) parade? Here's your chance!

The Davis EV Association (DEVA) is recruiting 10 electric vehicles for the 105th Picnic Day parade on April 13. The vehicle display will celebrate the adoption of EVs by the Davis community.

The parade lasts from 9:30 am to noon. All participants must be in place by 8:00 am.

If you and your EV would like to be part of the parade, **please send a message ASAP** (including your vehicle make, model, and year) to deva@cooldavis.org. You'll get to show your vehicle to over 10,000 enthusiastic viewers of all ages.

You will need to provide proof of insurance and sign a waiver of liability by this Thursday, March 14.

If you've missed a Newsletter and for more information about the Sacramento Electric Auto Association visit our [website](#).
